Hi Steve,

Back in the office and I finished going through my backlog of emails yesterday afternoon. I did not see one with the document you mention below so just want to make sure I didn't miss an email or it got mis-routed.

I would also like to get a meeting set up for next week if possible to recap where we are and talk about the documents I have received so far.

Cheers,

Sean,

I am going to be out of the office from **Monday August 11<sup>th</sup> through Wednesday August 20<sup>th</sup>** and **Tuesday August 26<sup>th</sup> through Friday August 29<sup>th</sup>**. In order to keep things rolling on our phosphorus policy/limits discussion I would encourage you to keep in contact with Aaron Luckstein who can serve as a back-up if you want to schedule a check-up meeting. Otherwise, we should try to schedule a meeting in early September. We have sent a few materials, one piece from Aaron and another from Marco. I have a third summary document that I need to refine and send to you. I am hoping to get that done by Friday.

We will talk soon.

Steve
